## Southport Piano & Music Academy September Sponsored Practice!

In aid of urgent Cancer treatment for Southport Radio Presenter, Cassie James.

### Who is this for?

Cassie is a lovely Southport lady who is a local radio presenter and has done a lot of work for charity. Sadly, Cassie has recently been diagnosed with an extremely rare form of skin cancer with only 6 months to live. With only 2 people in the whole of the UK who have this, it cannot be treated by the NHS. Cassie needs life-saving treatment in Israel which will cost in the region of £100,000. Many local businesses and people are also doing something to raise money towards this total.

### How it works:

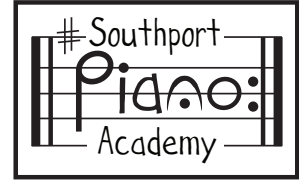

Decide an amount for how many half hours of practice the child will do. Please involve friends and family. There will be a prize for the child who does the most practice.
